

MERRY CHRISTMAS EVERYBODY AND WELCOME TO OUR CHRISTMAS NEWSLETTER.

SASSOON PROFESSIONAL PARTNERS

As a Sassoon Professional Salon, education is the fuel that powers the salon, we take full advantage of Sassoon's credentials as global leaders in technical training.

The Sassoon Professional education programme is designed specifically for partner salons, providing an in-depth, total perspective on exciting seasonal cut and colour techniques, keeps our staff up to date and trained to some of the highest standards in the country.

Each season will see the launch of a tailored programme of techniques to enhance and grow our skills; cut and colour techniques designed to delight sophisticated salon clients.

BEAUTY

Here at Brooklyn we believe your skin care regime should be as individual as you are that's why before we pick a product or you get comfortable on our couch we carry out a personalized consultation. As we are beauty boffins who keep up with the latest innovations to provide our clients with the most up to date treatments.

We are the most advanced skin clinic in the area and the only one to have been registered with the health care commission, our signature skin treatments combining high performance medical skin treatments give our clients the results they want.

We have been awarded advanced clinical centre for the past 13 years, we are also pleased to say we are very proud to have passed our annual health care commission audit (this was very stressful but well worth it).

Our laser treatments have been providing us with the ultimate anti-aging results but when combining with other clinical procedures we have provide our clients with total skin rejuvenation.

Youngblood is the new mineral make that also provides us the 1st ever liquid mineral foundation this product is just flying of the shelf. Making a Fantastic Christmas present a new youngblood starter pack with all the essentials to get you started £45

MINX NAILS
